

Before You Shop

Look through this guide before you shop to see the brands of food you can buy with your **Texas WIC Card**. Bring this guide with you to the store.

You will also need to bring the **Texas WIC Shopping List** that you got at the clinic. It shows important information such as:

- Which foods you can buy.
- Your monthly benefits.
- Your next WIC appointment.

If you forgot or lost your Texas WIC Shopping List, a store cashier can print a receipt with your current balance before you shop.

Use all your WIC benefits each month. Your remaining benefits cannot roll over to the next month.

How do I use my WIC card at checkout?

- After all of your items are scanned you will pay for your WIC items first.
- Insert your WIC card into the reader and enter your PIN. Leave the card in the reader until told to remove it.
- The cashier will provide you with two receipts. One receipt shows your starting balance and the other shows which items will be removed from your card.
- Check the items on the receipts and press approve to complete your transaction. Save your receipts!

What if an item doesn't scan at checkout?

- Check your shopping list or benefit balance to make sure you have available benefits on your card.
- Check the shopping guide to make sure the item is the correct size and brand.
- If the size and brand are correct and you have enough benefits, ask the cashier or store manager for help.
- If it still won't scan as a WIC item, you can pay for it with your other groceries or put it back.

Still think it should have scanned as a WIC item?

Scan the QR code to provide more information. WIC will review the item and let you know why it didn't scan, or add it to our database for the future.

How do I know what's left on my WIC card?

- A WIC benefit balance receipt prints out after shopping. It shows how much is left on your card for the rest of the month.
- You can check your benefit balance anytime at a grocery store, your WIC office or on the myWIC app. Benefits on the app may be three days behind.

What if I lose my card?

If your Texas WIC Card is lost, stolen or damaged, contact your WIC office or call 800-942-3678. If it's locked, you will need to go to your WIC office to reset your PIN.
